## Bearaby

It's simple and it's easy: providing an experience with the world's best natural fabrics is just what we're doing. Bearaby is the only baby gear company. Today, Bearaby is a leading source for all soft baby gear from cribs to strollers, blankets and full-on baby products.

## Embrace

Embrace is a naturally inspired, soft, undyed muslin brand offering comfort with incredible high-quality, eco-friendly muslin made of pure-cotton fibers. Its history dates its creation to the four corners of the world. Unlike spent or over-processed clothing, people are flocking to muslin made from natural fibers, meeting the highest standards for fit and feel. Embrace's fabrics are an Oeko-Tex certified cotton that is OUSA, requires no dyes and heavy metal free finishes. The result is that it's perfectly comfortable, lightweight and safe for your baby's delicate skin, lightweight, hypoallergenic, and washable.

## Bellabu Bear Baby Clothes

Say goodbye to unclean and harmful children's clothing items and hello to Bellabu Bear's organically grown and 100% eco-free bamboo clothing. Inspired by the best of Amsterdam from the Netherlands and Association, Bellabu Bear baby clothes are made from quality child-friendly papers that are safe and are comfortable for bedtime. They protect the baby from having their skin irritated by chemical dyes and their feet from the heat of light-colored socks and shoes.

## HealthyBaby

Founded by three women, the sisters behind Poppy Baby, HealthyBaby is pioneering the future of baby care as the first award-winning certified organic, committed to safe, science-backed products. HealthyBaby's products are made without BPA, harmful chemicals, and a new standard for purity and performance. With three sisters as Chief Executive Officer, the brand continues to champion innovation, making every product approachable, healthy, and developed from the core.

## Slumberkins

Slumberkins is the leading early emotional wellness and promoting healthy emotional development for high school and above teens in the form of expressive journals, books, cards, t-shirts, and apparel. Founded in 2015 by two friends for a friend at UC Berkeley, Slumberkins works with teachers, child educators, child development and family therapy. Slumberkins offers an app, a wide range of items and a children's program now launching on Apple TV.

## For the Cubs

For the Cubs, a brand built on nature, connecting with sporting life in bear care, founded by bear parent Amy Hall. Offering top-of-the-line gear, and sleep, every purchase here for the Cubs benefits bear care and conservation.

## expt

Under launch, the founder of expt is a wife and working mom to three wonderful, wild boys who take all the inspiration and inspire product ideas for her brand that inspires wild, developmentally focused, organic, safe, and playful for adults and little ones.

## Ingrid + Isabel

Ingrid + Isabel started from one simple professional life-changing goal. When pregnant with her first child, Ingrid (a busy mom) found herself at the top of a long list of items to buy. Considering her husband's job, she pulled together her professional goals and the beloved children's world. With the support of a community of other women, she set her business and a mission. Ingrid's prototype was perfected, it was her baby gear line. Ingrid + Isabel has a simple, clean, and the biggest industry, small-scale business in the US, today, continues, creating, developing, and retailing, locally and large.

## ergoPouch

The idea of ergoPouch came to mind back in 2008 when Fernan Torres was having challenges with sleeping through the night in desperate need of a solution. After pulling out her sewing machine and made her first ergoPouch and never looked back since launching in 2009. ergoPouch has helped 10 million babies sleep safely, a revolution of 100 million babies with a simple, easy-to-use, safe, and easy to use.
